

LoungeKey™ airport lounge access program

As a People's Bank Visa Signature cardholder, you are eligible for a complimentary membership of LoungeKey to access over 1100 airport lounges in more than 130 countries. All you need to pay for are any lounge visits you make, including for any guests you invite to join you in the lounge. After a visit to a participating lounge, a fee in USD 32 per person per visit will be charged to your People's Bank Visa Signature card.

You can use whenever you travel, regardless of airline or class of ticket to enjoy a less stressful way to travel. There is no need to register prior to visiting the lounge, **simply present your People's Bank Visa Signature card, boarding pass at a participating lounge and identify yourself as a LoungeKey customer** to avail access.

Airport lounges give you the chance to relax and enjoy complimentary refreshments away from the hustle and bustle of the departure hall. Or if you prefer to catch up on work, you can often take advantage of workstations and Wi-Fi. You'll soon be able to travel in style.
