4. Further to the debt restructuring exercise currently being undertaken by the Government of Sri Lanka, certain loans granted by People's Bank to a State-Owned Enterprise on the strength of an irrevocable Government guarantee were transferred to the Government's balance sheet under the Ministry of Finance (MOF) pursuant to a cabinet decision effective from December 31, 2022 onwards. The Bank is currently in discussion with the MOF to agree on the proposed debt service terms relating to such loans and the MOF has agreed to an interim debt service rate of SLFR + margin until such time the proposed debt service terms are finalized.

However, as the discussions between the Bank and the MOF are still ongoing as of the date of reporting, the impact of the said restructuring is yet to be finalized and the bank will account for the proposed debt service terms once the terms are agreed.

Based on the best available information as of the date of release of these financial statements the management is of the view that the potential restructure based on the proposed terms is unlikely to have a material adverse impact on the Bank's Income Statement or net assets in line with SLFRS 9 Financial Instruments
